THE DAYLIGHT STORE

The Frost Has Not Touched Our Growth.

We are today carrying one of the largest lines of Dry Goods and Garments in Vermont. Our goods and prices have helped us to a very large out of town trade. This alone should strengthen your belief in our merchandise, as we do not sell one customer to the disadvantage of another. The following are especially attractive at this season. They are necessities that are rightly priced to meet competition:

BEDDING.

There will be a time this fall when the following prices cannot be made.

One lot of Oak Tanned Blankets, while they last at 45 cents per pair.

Blankets in grey, plain white and with colored borders, good heavy blankets, now at 59c per pair.

Eleven-quarter Grey Blankets, heavy and fine, in this sale at 95c per pair.

DR. DENTON'S SLEEPING GARMENTS.

These Garments have worked quite a change in the health and comfort of smaller children, especially those that are naturally restless and will

not keep covered up these cool nights. You would rest better if the children wore Dr. Denton's Sleeping Garments. First four sizes, each \$1.00.

THE RELIANCE CORSET COVERS.

There is satisfaction in having a Garment that others will ask you where you got it. The Reliance is head

and shoulders above any other kind. They have a fit that is new. They are made of a yarn that has always been used for higher priced goods. They have a Cover quite as good as the old-styled ones at 50c, for only \$1.00.

The 50c Cover is the finest soft Mercerized Cover on the market. This is not the whole story; it has a double bust and back, same as is shown in the cut. It is just what has been wanted. Price only \$1.00.

Satisfaction in Every Thread of the Popularly Priced

MUNSING UNDERWEAR.

In all of our many years of retailing we haven't found any line of Underwear to compare with the Munsing. It leads in quality, fit and finish and there is no other make that gives the wear. It is fully 25 per cent cheaper than other makes.

BENNINGTON UNDERWEAR.

For years and years Vermont people used almost wholly Bennington Underwear, and while styles have changed, the quality still remains the same. We always have two styles of this Underwear that we believe to be better than any other of its kind.

Bennington Wool Underwear for children, misses and boys never gets hard or cottony, and wears better than the imitations. Priced, according to size, from \$1.00 to \$2.50.

We have a Ladies' Fast Black Rib-top Fleece Hose at \$1.00. (That will be hard to match.)

We put our strength and money into advertising the Black Cat Hose for both ladies and children. When we say that they are better we believe what we say. We have reason to—our customers tell us so.
